

THE MAGIC PEBBLE

By Oliver

My favourite thing is a pebble,
That I found in a cave..
It all started at the beach when I got swept by a wave!
The wave took me to the cave where I found my pebble...

It was magical! Very!
It was very, very, very!
It took me to school by super-power!
And it set bullies off by gunpowder!

Anyway, I love my pebble dearly,
It's beautiful, not weary.
And finally, I shall tell you one more thing,
You are NOT having it!

Close your eyes and make a wish
And wish your wish comes true
For the magic in this pebble
Has been waiting here for you.

THE MAGIC PEBBLE

My favourite thing is a pebble,
That I found in a rubbish bin.
It is strong and beady and thin,
I won the competition.

It made a jelly flood,
And floods my school,
Miss H-W was so angry,
The jelly flood was cool.

The jelly flood lasts forever,
And all the boys laughed.
But the girls were so angry,
They used a boat as a raft.

Close your eyes and make a wish
And wish your wish comes true
For the magic in this pebble
Has been waiting here for you.

THE MAGIC PEBBLE

My favourite thing is a pebble,
That I found in Italy.
It is green and star,
It looks normal to me.

It saves the climate,
And it's always my birthday.
The next year is Christmas
And lots of time to play.

It stops the jelly flood,
It does all my writing.
It makes lots of mud
And I have Art every day.

Close your eyes and make a wish
And wish your wish comes true
For the magic in this pebble
Has been waiting here for you.

THE MAGIC PEBBLE

My favourite thing is a pebble,
That I found in a giant cave.
It was shiny as gold and gigantic,
It was called Dave.

It was as tall as three Eiffel Towers,
And as fat as five trees,
It can only be carried by 2068 lorries.
I was surprised as pie!

It made a flood so I could swim,
It was so cool and fool.
It turned into an axolotl when I wanted a pet.
I closed my eyes and my wish came true.

Close your eyes and make a wish
And wish your wish comes true
For the magic in this pebble
Has been waiting here for you.

THE MAGIC PEBBLE

My favourite thing is a pebble,
That I found in a dark cave, shiny and white,
It would dress me up when I went to school,
I was always right.

It would make me live in 'Mossy Bottom',
And it all started when it was my first day at school.
I found a glowing black cupboard,
It was hard like rock and I.

I opened it and it gave me it and I kept it.
And it gave me a superpower and it was kindness.
It gave me a wobbly jelly pie and it was so big,
That the school turned to squidgy jelly.

Close your eyes and make a wish
And wish your wish comes true
For the magic in this pebble
Has been waiting here for you.
