## CHRIST CHURCH CATHEDRAL SCHOOL

# NOTES *of* SUCCESS

Welcoming school in the heart of Oxford has a fine music tradition and a safe community where children are encouraged to develop their talents

**T**his Oxford city centre school for boys until 13 years, and girls until end of Year 2, has excellent academics, music oozing from every corner, and stunning off-site facilities. CCCS is a small school that enables each child to be noticed and included in its community. We are set in the heart of Oxford with a Prep school for boys aged three to 13, and a co-ed Pre-Prep and Nursery school.

CCCS was founded by Henry VIII in 1546 when he founded Christ Church and the Cathedral. Our central location enables regular trips to local museums and community-based activities.

Our school has an excellent reputation for providing a balanced, all-round education by talented staff. The small class sizes and committed staff, ensure pupils are supported and challenged to achieve their full potential.

Ten acres of stunning grounds on Merton Field allow children to play a variety of sports, including rugby, football, cricket, tennis, swimming, squash, athletics, and hockey. Badminton and swimming are also offered off-site.

CCCS is renowned for its exceptional music tuition. With over 150 music lessons every week, we have many instrumentalists who achieve high grades and music scholarships to leading senior schools.

Our school boasts three outstanding choirs, one world-famous. All Cathedral choristers receive a bursary equivalent to two-thirds of the fees to support their education at CCCS. Cathedral choristers are committed to boarding full-time. Flexi-boarding and occasional boarding is offered for day boys aged eight to 13.

The school offers a local mini-bus service to and from school during the week, wrap-around care, various curricular and after-school clubs, including chess, robotics, movie-making and many more.

The school values kindness, honesty and good manners and is very proud of its alumni. CCCS is a happy and safe community where children discover and develop their talents.

To arrange a private visit, please contact our Registrar, Laura Kemp.
