GAME ON

For the third year running, Feltonfleet has made it to The Cricketer Schools Guide's Top 50 Prep Schools. Thanks to a dedication to cricket in the curriculum, top-notch facilities, jam-packed fixtures schedule, outstanding coaching, and four county titles in 2023, Feltonfleet continues to make its mark on the cricket scene.

“Eva Okaro was the first Repton student to compete in the Olympic Games while still at the school”

“If a free society cannot help the many who are poor, it cannot save the few who are rich”

JOHN F. KENNEDY

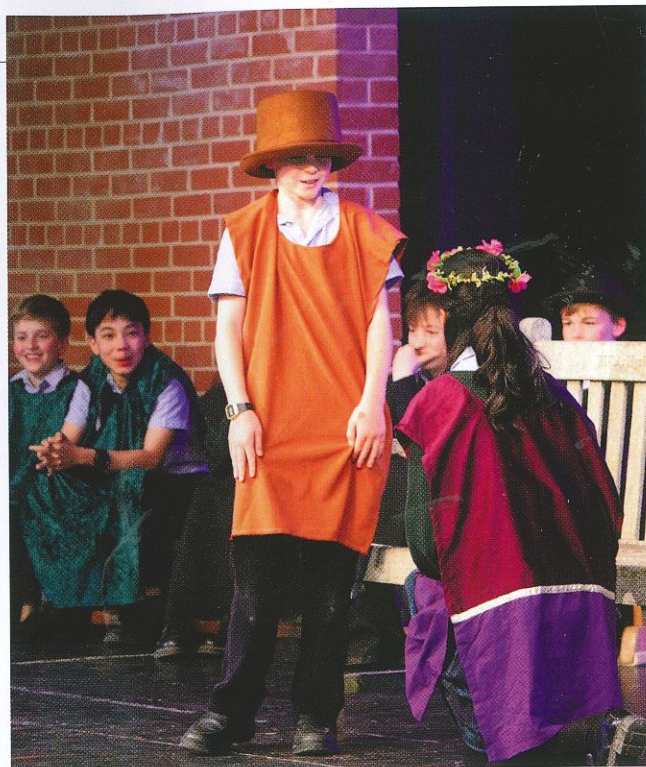

Wisden winner

Tonbridge student Ollie Sykes has been named the Wisden Schools Cricketer of the Year. A 2023 leaver, he received the iconic accolade at a ceremony at Lord's in April, becoming the first Tonbridgian to earn this title. Ollie distinguished himself by scoring 935 runs and took 30 wickets for Tonbridge in the 2023 season.

CALIFORNIA CHOIR

The Cathedral Choristers from CCCS Boys' Prep School, Oxford, had a hugely successful tour to California at the end of the summer term. They sang at concerts, services and alumni events in Los Angeles, San Francisco, Palo Alto and Monterey. “It was a terrific trip and the boys sang brilliantly throughout,” says Sophie Biddell, Director of Music.

World class

Around the world in just 48 hours. That was the timeframe Year 7 boys from Ludgrove and girls from Downe House had to learn lines and stage direction and bring *Around the World in 80 Days* to stage. It was a triumph and more joint projects are planned as part of the schools' new academic and pastoral relationship.

CREATIVE ESCAPES

Cobham Hall co-curricular programmes have seen its pupils opt to plant 500 trees, staff food banks and try dissection and songwriting - with karate, escape rooms, Thai cookery and a colour run along the way. Service, environmentalism, adventure and leadership - four of Cobham's Round Square IDEALS - are central to the programmes.
